De Cecco - the bestselling premium pasta in Italy. Pasta remains loose after cooking and has a perfect 'al dente' texture, even if the cooking time is extended. The rough surface from bronze molds captures more taste from pasta sauce and makes your pasta dishes tastier. All this makes De Cecco pastas one-of-a-kind and the choice for Italian people for more delicious pasta dishes. Classic Spaghetti made from wholemeal durum wheat. It can be served in various pasta dishes, for example in pasta bolognese. Rich in fiber. Source of vitamin B1, magnesium, iron and zinc.
